DMCI Homes posts Php23B reservation sales for 1st half of 2018

Background/Description of the Disclosure

DMCI Homes, the country's first Quadruple A developer, has recorded Php23.01 billion in reservation sales for the first half of 2018, up by 4% from Php22.12 billion during the same period last year.

The company's net income, meanwhile, increased by 41% from ₱1.759 billion for the 1st half of 2017 to ₱2.488 billion in 2018.

"Our pioneering resort-style developments have gained a strong following among buyers. There is healthy demand for our projects in Metro Manila, and even in Davao and Baguio," said DMCI Homes President Alfredo Austria.

Encouraged by its strong sales, DMCI Homes is looking to replicate its success in other parts of the country.

"We are also exploring new product formats as condo units continue to evolve as a versatile solution to urban living challenges," added Austria.

DMCI Homes sees reservation sales to further pick up in the second half of 2018 with the scheduled launch of mid-rise and high-rise developments in Parañaque, Manila, Pasay, Las Piñas, Davao and Quezon City.

Leading the list of its top project performers for the first half of 2018 are Prisma Residences, Fairlane Residences and Mirea Residences in Pasig City; Kai Garden Residences in Mandaluyong City; The Orabella, Infina Towers, The Celandine, and Zinnia Towers in Quezon City; and Verdon Parc in Davao City.
