Gentlemen:

We reply to your request for clarifications on the news article entitled "DMCI bags deal to build NLEX-SLEX link road" posted in Manila Standard (Online Edition) on October 28, 2019. The article reported in part that:

"NLEX Corp. said it tapped D.M. Consunji Inc. to build the first section of the P23.3-billion NLEX-SLEX Connector Road Project.

NLEX president and general manager Luigi Bautista said the company appointed DMCI as the contractor for the NLEX Connector Road Project Section 1.

NLEX Section 1 is a 5-kilometer road that runs from Caloocan connecting to C3 all the way to España Boulevard in Manila.

"Next week, we will sign the contract and then the first bored pile that will be executed will be second week of November. So between today and the second week of November, DMCI will start preparing for mobilization," Bautista said.

The project will be completed in 20 months.

The P23.3-billion NLEX-SLEX Connector Road is an eight-kilometer elevated four-lane expressway extending NLEX southward from the end of Segment 10 on C3 Road Caloocan City to PUP Sta. Mesa, Manila and connecting to Skyway Stage 3 by mostly traversing the PNR rail track.

The project includes two interchanges at C3 Road/5th Avenue in Caloocan and España in Manila.

Once completed by 2021, the project will reduce travel time from SLEX to NLEX from two hours to just 20 minutes. Some 35,000 motorists are expected to use the project.  
...."

This is to inform the investing public that the Company's subsidiary, D.M. Consunji, Inc. (DMCI) cannot confirm the above news article as the contractor of the NLEX-SLEX Connector Road Project Section 1. As of this time, DMCI has yet to receive the formal Notice of Award from NLEX Corp. relative to this project.

Thank you.
