Re: Indemnity Undertaking

Gentlemen:

On _____, 2011, an application (copy enclosed) was submitted to the Philippines Bureau of Internal Revenue ("BIR") for a ruling confirming that the cash dividends due from DMCI Holdings, Inc. (the "Company") to _____, [a citizen of _____ and residing in _____ / a corporation organized and existing under the laws of _____ and with principal place of business at _____] (the "Stockholder") in the amount of _____ (Php____) pursuant to the declaration of the Board of Directors of the Company in its meeting held on May 31, 2011 (the "Dividends"), are subject to a withholding tax rate of _____ percent (__ %) pursuant to the tax treaty between _____ and the Republic of the Philippines (the "Ruling").

Current jurisprudence in the Philippines requires that a ruling from the International Tax Affairs Division (ITAD) of the BIR must be secured prior to availing of a preferential tax rate under a tax treaty.¹ On the other hand, BIR Revenue Memorandum Order (RMO) No. 72-2010 (Aug. 25, 2010) literally only requires that a tax treaty relief application (TTRA)² be filed before the transaction

¹ *CBK Power Company Limited vs. Commissioner of Internal Revenue*, CTA EB Case No. 494 (CTA Case Nos. 6699, 6884 and 7166) dated March 29, 2010; *CDL Hotels (Phils.) Corp. vs. Commissioner of Internal Revenue*, CTA EB Case No. 339 (CTA Case No. 6585) dated August 10, 2009; *Deutsche Bank AG Manila Branch v. Commissioner of Internal Revenue*, C.T.A. EB Case No. 456 (May 29, 2009); *Mirant (Philippines) Operations Corporation (formerly: Southern Energy Asia-Pacific Operations [Phils.], Inc.) v. Commissioner of Internal Revenue*, G.R. No. 168531.

² The approval of a TTRA takes the form of a BIR ruling.

(i.e., payment of dividends), together with all the supporting documents justifying the relief sought, as enumerated in the RMO.

The undersigned stockholder (the Stockholder) anticipates that it may take some time for a Ruling to be issued by the BIR.

The Company, as the withholding agent of the Philippine government for the withholding of taxes due on dividends to nonresident alien individuals and foreign corporations, is made primarily responsible for the remittance of the correct amount of withholding taxes due on those dividends to the BIR. Further, penalties are imposed upon the Company under Philippine law for failure to do so.

The undersigned hereby requests the Company to withhold taxes based on the preferential tax treaty rate for remittance to the BIR. To induce the Company to withhold and remit the tax at the preferential tax treaty rate, in the event that the Ruling is denied or that a withholding tax rate higher than the preferential tax rate is determined to apply to the Dividends, the Stockholder agrees and acknowledges that [he/she/it] will be solely liable for, and will promptly pay when due, any taxes, fees, charges or other amounts (including interest and penalties) due to any authorities in the Philippines with respect to the Dividends. For this purpose, the Stockholder undertakes to pay to the Company whatever amounts may be required to pay for any shortfall in the amount of tax withheld and remitted. Furthermore, the Stockholder expressly authorizes the Company to pay over to the Philippine tax authorities any amounts that the Company may hold belonging to the Stockholder to settle any deficiency tax liability of the Stockholder arising from the receipt of the Dividends.

Stockholder further agrees that it will indemnify and hold the Company and its shareholders, directors, officers, employees, agents and assignees harmless from and against any and all claims, losses, expenses, taxes, penalties or fines incurred in relation to the filings or payments of, or failure to file or pay, any amounts to the Philippine tax authorities due to or on account of the Dividends.

The Stockholder accepts the continuity of this indemnity undertaking which shall survive a transfer of shares. The Stockholder undertakes to submit a copy of the BIR Ruling to the Company, once issued, within five (5) days from receipt thereof.

Re: Indemnity Undertaking

Gentlemen:

This refers to the cash dividends due from DMCI HOLDINGS, INC. (the "Company") to _____, [a corporation organized and existing under the laws of _____ and with principal place of business at _____] (the "Stockholder") in the amount of _____ (Php ____) pursuant to the declaration of the Board of Directors of the Company in its meeting held on May 31, 2011 (the "Dividends").

The Stockholder requests the Company to apply a withholding tax rate of fifteen percent (15 %) on the Dividends pursuant to Section 28(B)(5)(b) of the National Internal Revenue Code (the "Tax Sparing Provision"), which reduces from 30% to 15% the withholding tax on dividends received by a nonresident foreign corporation on the condition that the country of residence of the Stockholder will allow the latter a *credit* for taxes deemed to have been paid in the Philippines (but actually waived or spared) equivalent to 15%, representing the difference between the regular income tax rate of 30% and the 15% tax sparing rate.¹

In this connection, it hereby represents and warrants:

(a) That [*the country of residence of Stockholder*], in accordance with its laws now currently in force, fulfills the foregoing 'deemed paid tax credit' condition.

¹ Based on jurisprudence, the above 'deemed paid tax credit' condition is also met if the residence country of the Stockholder fully exempts the Dividends from tax in the residence country. (*Commissioner of Internal Revenue vs. Wander Philippines, Inc.*, 160 SCRA 573)

(b) That it shall comply with Revenue Memorandum Circular No. 80-91 requiring the submission by the Stockholder of documents showing the actual amount credited by the foreign government against the foreign income tax due from the Stockholder in respect of the Dividends. The documents required under RMC 80-91 may only be provided after the payment of the Dividends and the filing of its own income tax return in its country of residence. It is only upon presentation of those documents to the Bureau of Internal Revenue ("BIR") that its entitlement to the tax sparing rate may be determined.

The Stockholder acknowledges that the Company, as withholding agent, is made primarily responsible for the remittance of the correct amount of withholding taxes due on the Dividends. Further, penalties are imposed upon the Company under Philippine law for failure to do so. In view thereof, the Stockholder undertakes:

(a) to indemnify and hold the Company and its shareholders, directors, officers, employees, agents and assignees harmless from and against any and all claims, losses, expenses, taxes, penalties or fines incurred in relation to the filings or payments of, or failure to file or pay, any amounts to the Philippine tax authorities due to or on account of the Dividends;

(b) in the event of an assessment issued by the BIR for the Company's failure to file or pay the correct amount of tax to the Philippine tax authorities on the basis of the Stockholder's representations stated herein, to be solely liable for, and promptly pay when due, any taxes, fees, charges or other amounts (including interest and penalties) due to any authorities in the Philippines with respect to the Dividends. For this purpose, the Stockholder undertakes to pay to the Company whatever amounts may be required to pay for any shortfall in the amount of tax withheld and remitted. Furthermore, the Stockholder expressly authorizes the Company to pay over to the Philippine tax authorities any amounts that the Company may hold belonging to the Stockholder to settle any deficiency tax liability of the Stockholder arising from the receipt of the Dividends; and

(c) to submit to the Company proof of compliance with RMC 80-91, including copies of documents provided to the BIR in connection therewith.

The Stockholder accepts the continuity of this indemnity undertaking which shall survive a transfer of shares.

The Stockholder expressly authorizes the Company to pay over to the Philippine tax authorities any amounts that the Company may hold belonging to the Stockholder to settle any deficiency tax liability of the Stockholder arising from the receipt of the Dividends. Should the Company decide to settle all or part of the obligation with its own funds, the Stockholder undertakes to promptly reimburse the Company for costs expended in relation to the said assessment/s.

Based on the foregoing, the undersigned hereby requests the Company not to withhold taxes on the dividends to be distributed to the Stockholder. The Stockholder accepts the continuity of this indemnity undertaking which shall survive a transfer of shares.
